Countdown to Launch—October 9, 2011

We continue to experience incredible affirmation for the new church with the emphasis on mellow worship of hymns and choruses. We have now completed our Statement of Faith and sent out 360 letters to potential choir

members, worship singers, orchestra members and technicians. I met with James, our technical advisor, and began solidifying our sound system. We had to purchase a few items but for the most part the equipment is nearly ready for services. Donna, our wonderful keyboardist, and I met to begin the first work on the worship songs. What a delight we had practicing the first set of worship music to establish the right keys, transitions, and smooth flow of worship. We found ourselves already in wonderful worship just during the practice time. Samantha joined us toward the end of the practice and we prayed together for the hand of God to guide us in all things and bring favor on the church. We have begun to assemble the promotional campaign with public service announcements on radio and TV, and in the newspapers. The first few sermons are being outlined and they are really **good. You won't want to miss it!**

Insight: The "New Worship" is a return to intimacy with God. I love to exalt God with loud praise, blaring trumpets, clapping and unbridled exuberance. But, a little of this goes a long way. The heart of worship, however, is contemplative, introspection, reflection, communion, and meditation. In these we **are obedient to "be still and know that He is God." In quiet passion we meet** God, feel His presence, open the corners of our lives for Him to touch and heal. Come worship Him with the Community of Joy!

Servant leadership in every situation.

Miracles Keep On Happening!
We rejoice in God's favor.

Action

This is the Swanson's garage at the moment with sound equipment, lights, video and screens strewn everywhere. Sorry, no room for the car just now.

Pray that we will soon find some volunteers that desire to join our efforts and will start now to support the church with their time and sweat. We do need prayer warriors to lift up the ministry. If you are willing to pray every Wednesday at noon for five minutes, please call the office and let us know. Many friends and associates will be joining with us so that every step of our path is bathed in prayer. **The "Midweek Fivers," as we will call this group, will make a big difference in our progress and you will be blessed for your faithful efforts.** God never lies and He is never late!
