Servant leadership in every situation.

Insight: We have a strong desire to encourage those who are age 40 and over. **Often referred to as the "boomers,"** they number some 78 million born between 1946 and 1964. With the emphasis on youth, this **group has nearly been forgotten in today's** church. Yet, they are desperately in need. The highest suicide rate in America today is white American men over 65, and not by a little but nearly 4 times higher than the next group. Bankruptcy, the spread of aids, family regrets, depression, and much more is pandemic in this group. We are committed to helping these people find help, hope, and joy as they face their eternity much sooner than most of the youth of today!

Miracles Keep On Happening!
We rejoice in God's favor.

The "Midweek Fivers" are continuing to grow in number. Thank you for your diligent prayer support. We are getting response from our mailings and the worship team is coming together. If you sing or play an instrument please call and talk to us at (702) 576-0087. We also need technicians to run sound and volunteers to set up and tear down each Sunday at the Fiesta Hotel and Casino. God is faithful and He is bringing about the Community of Joy to minister to hundreds and thousands in the Las Vegas/Henderson area. All of our praise is to Him alone.
